Modeling PalEON biomass

Wesley Brooks

---

1. Introduction

Our goal is to model the biomass of each species in each grid cell

2. Figures

[Figure 1 about here.]

[Figure 2 about here.]

[Figure 3 about here.]
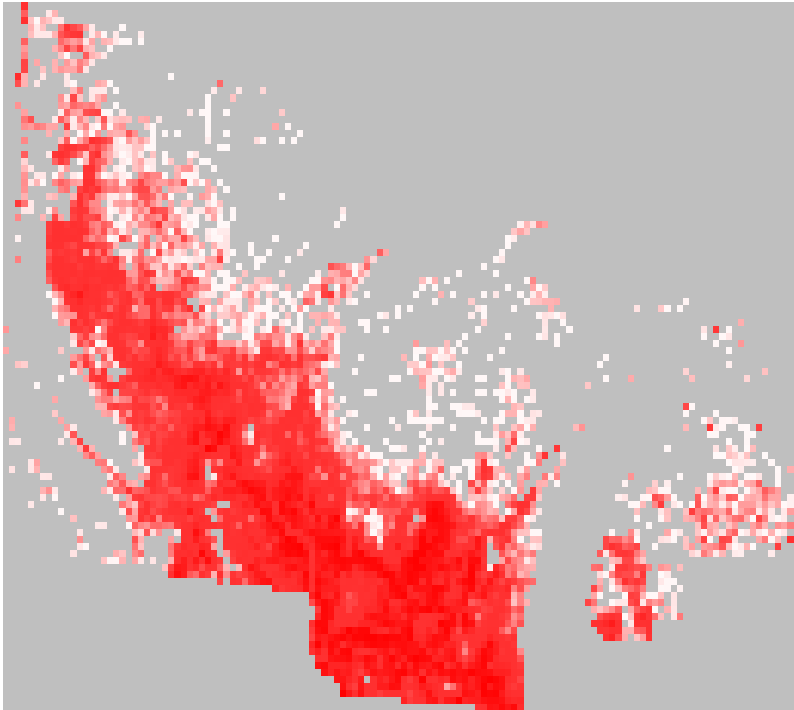

[Figure 4 about here.]

3. References

List of Figures

Oaks biomass spline

Oaks observed biomass (log scale)

−4.2   12

Oaks fitted biomass (log scale)

4.8   9.5

Oaks biomass residual (log scale)

−9.3   5.1
